

THANK YOU!

Thank you for your continued support of St. Bonaventure Parish and Project 2020. We greatly appreciate the positivity and prayers during a time of temporary change that can be difficult. Below are few more tips for the next few months as we celebrate Mass in the Scotus Cafeteria!

RESTROOMS

To locate the restrooms please exit the cafeteria through the South doors. The men's restroom is directly outside these doors. The women's restrooms are up both set of stairs as if you were entering the Old Gym. Parents, please continue accompanying your child to the restroom. We want you to know where your children are to keep them and others safe!

GREETERS & USHERS

If you are a Greeter or Usher for Mass, badges are located on the table in the back of the Cafeteria. Please utilize these before you volunteer and return to the table after Mass.

Parishioners: if you are in need of assistance before, during or after Mass please find a Greeter or Usher to help accommodate your needs – they will be wearing a badge for easy recognition!

CONFESSIONS

Confessions are on Saturdays 3:30-4:30 pm in the Scotus Media Center. Please enter through Memorial Hall doors and go left through the following set of doors to enter the Media Center.
